

Staff Ratios

The following are the staff to client ratios in each program provided at Reach For Youth:

Individual/ Family Counseling Sessions:

- During an individual counseling session, the staff ratio is 1 staff member to 1 client.
- During a family counseling session, the ratio is 1 staff member to 1 family.

Group Sessions:

- The ratio for group sessions is 1 staff member to 10 clients. If a group is larger than 10 clients, an additional staff person or intern is added.

Teen Court Sessions:

- The ratio for Teen Court is 1 staff member and 1 volunteer adult to 8 court participants (this number includes defendant(s), parent(s), and youth jurors and youth attorneys).
