LEARN ABOUT IU  
TALENT POOL

INTRODUCE YOU TO  
HANDSHAKE

CONNECT YOU TO  
CAMPUS CAREER  
SERVICES

# The next generation of talent

- Indiana University (IU) can be a resource for connecting you with top talent
- All IU campuses use one platform for job postings

# School of Public Health-Bloomington (SPH-B) Overview

- Approximately 3,000 students enrolled in SPH-B
- Award ~1,000 degrees per year
- SPH-B faculty comprise one of the most diverse schools of public health in the country

Human Development & Family Studies	Counseling
Community Health	Social Work

# What is Handshake?

- Career Services Management system used by all IU campuses
- Bridges employing organizations, campus career centers, and students
- Connects employers with campuses nationwide

# Employer benefits to using HS

- Post jobs & internships
- Host & promote employer-led events
- Register to attend campus events (career fairs, networking events)
- Allows to promote across multiple campuses
- Exposes opportunities to students in indirect areas of study

# Getting started on HS

1. Create your user profile with your organization's email
2. Connect to your organization's account or create a new organization
3. Complete your organization's profile thoroughly
4. Connect with IU campuses
5. Post jobs, internships, and recruiting/educational events
6. Register for campus career days/fairs

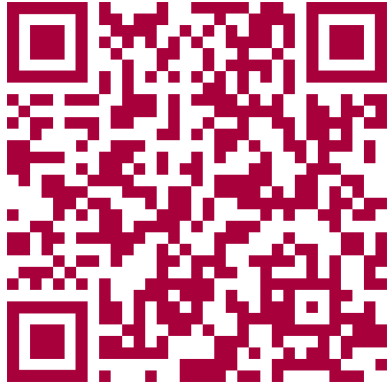

# Behind the scenes

- Connection & job approvals can take time
- Career Centers do not have access to the back end of your account
  - Handshake is the only one that can adjust users within an org
- [Handshake Help Center](#) is a great resource!
